Dear Director of International Relations Division,

Study UK Alumni Awards 2025 – Celebrating the 170th Anniversary of Thai-UK Relations

The British Council Thailand is launching the Study UK Alumni Awards 2025 to celebrate the outstanding achievements of UK international alumni worldwide. This is the sixth year we have organised this exclusive opportunity for UK alumni in Thailand.

The award finalists and winners have all used the skills and experiences gained by studying at a UK university to make a positive contribution to their community, industry, and country. This year, there are four award categories:

- Science and Sustainability
- Culture and Creativity
- Social Action
- Business and Innovation

I am writing to kindly request your support in promoting this prestigious award to UK alumni within the Chiang Mai University network, encouraging them to apply and share stories of their success and the significant impact they have made on Thailand. In addition, to mark this special occasion, the Alumni Awards Ceremony 2025 is being organised as part of a series of events to celebrate the 170th anniversary of Thai-UK relations. In addition to the national award, finalists and winners will be considered for the global award to share their stories to our global network. Thailand has already had three UK alumni selected the global award finalists.

Further details of the application process can be found on the following page. Interested alumni have until **Monday, 21 October 2024**, to apply.

For more information on the Study UK Alumni Awards, please feel free to contact my colleague, Uraiwan Samolee, Head of Education, at uraiwan.samolee@britishcouncil.or.th or by telephone at 081-868-3875.
